

Various Jobs after BSc Physics degree

<http://uncw.edu/stuaff/career/Majors/physics.htm>

Acoustics Physicist	Geodesist	National Laboratory Research
Aerodynamist	Geophysicist	Nuclear Magnetic Resonance
Aerospace Testing	High-Tech Designer	Nuclear Physicist
Astronomer	Hydrologist	Nuclear Power Plant Mgr
Astrophysicist	Industrial Hygienist	Medical Devices Designer
Atomic Physicist	Laboratory Technician	Physicist
Biophysicist	Lawyer, Technology Specialty	Physics Researcher
Cardiac Imaging Researcher	Mathematician	Physiognomist
Chemical Physicist	Teacher	Plasma Physicist
Computer Specialist	Medical Physicist	Process Engineer
Computer System Engineer	Medical Products Designer	Radiological Laboratory Director
Engineer	Meteorologist	Research & Development
Fluids Physicist	Molecular Physicist	Technical Salesperson
Research Assistant	Seismologist	Technical Writer
Satellite Data Analyst	Solid Earth Physicist	Test Engineer
Satellite Missions Analyst	Solid State Physicist	Technical Consultant
Science Teacher	Stratigrapher	Air Traffic Controller
Science Writer	Agriculture Scientist	Environmental Health Specialist
Automotive Engineer	Environmental Analyst	Industrial Hygienist
<u>Forensic Scientist</u>	Health Physicist	Optometrist
Occupational Safety Specialist	Oceanographer	Systems Analyst
Quality Control Manager	Scientific Photographer	Television Chief Engineer
Technical Illustrator		Particle Accelerator Operations Analyst
